California White Wine

Honoring our favorite little town, Viva Las Vegas wines embody the classic fun and anything goes excitement of Sin City. As gamblers and vintners we blend the two things we do best. While some say just the act of being in the wine business is a big gamble, we're proud to tell you that we have studied the game and love the action. We'll take odds on the fact that you'll enjoy drinking our exciting new Viva Las Vegas wines.

Made from grapes grown throughout California's diverse wine country, Viva Las Vegas wines are a winning combination of great wine and classic Vegas. Each wine features a unique vintage inspired label celebrating the sex appeal and excitement of our favorite little oasis in the desert.

Viva Las Vegas White Wine is crisp and dry. With flavors of citrus, pineapple, and guava, the wine finishes crisp with a hint of mineral notes. Made from Pinot Grigio, Viva Las Vegas White Wine is a refreshing treat on a sunny afternoon. Sip a bottle poolside, or over a light summer lunch, nothing is more enjoyable and refreshing on a sunny day.

Great for drinking, great for sharing, Viva Las Vegas is a fun gift, a great choice for your next party, or a fun memento of your trip to Vegas. Viva Las Vegas wines are available direct from Sort This Out Cellars and can be purchased at finer casinos and resorts throughout Las Vegas.
